ESIF EAFRD GREECE FOF: CAPPED GUARANTEE INSTRUMENT
OPEN CALL FOR EXPRESSION OF INTEREST TO SELECT FINANCIAL INTERMEDIARIES
(Published on 6 December 2019)

The objective of this Call for Expression of Interest (the “**Call**”), launched by the European Investment Fund (“**EIF**”), is to select eligible financial institutions to become Financial Intermediaries (“**Financial Intermediaries**” or “**FI**”) under the ESIF EAFRD Greece FoF (the “**Fund of Funds**” or “**FoF**”), as further described below.

All applications (each an “**Expression of Interest**”) under the FoF to be submitted to the EIF should conform to the Call.

In addition to this explanatory document, the Call contains the following documents:

- Annex I: Expression of Interest to be completed by applicants, including its Appendices;
- Annex II: Criteria for the selection of Financial Intermediaries;
- Annex IIIa: Indicative term-sheet of the capped portfolio guarantee available under the FoF;
- Annex IIIb: Indicative term-sheet of the capped counter-guarantee available under the FoF;
- Annex IV: Terms of confidentiality.

1. Background and resources available

The Fund of Funds is supported by the Managing Authority (the “**MA**”) of the Rural Development Programme (the “**MA**”) of the Hellenic Republic (the “**Member State**” or “**MS**”) and potentially EIF through a pool of resources it manages on behalf of the European Commission, denominated the EFSI Combination Product (“**EFSI CP**”), in their capacity as investors in the FoF. Its objective is to provide better access to finance for Final Recipients through loss protection provided by EIF to Financial Intermediaries via capped (counter-)guarantees for portfolios of newly originated loans or finance leases financing investments by Final Recipients in the agricultural and agro-industrial sectors in the MS.

The MA has dedicated part of their budgetary resources co-financed by the European Agricultural Fund for Rural Development (“**EAFRD**”) to setting up the FoF. Under the Rural Development Programme, the FoF shall target the following two actions: “4.1.4 Support for investments in agricultural holdings” and “4.2.4 Support for investments in processing, marketing and/or development of agricultural products”.

The FoF is open to additional contribution from EIF through the EFSI CP by no later than 31/12/2022. Applicants are invited to apply for Maximum Portfolio Volumes in the Expression of Interest, taking account of the potential demand and the terms of the Guarantee Instrument. However, for the avoidance of doubt, applicants may be granted a lower volume.

2. ESIF EAFRD Greece FoF – Instruments

The FoF is to be implemented via two possible instruments (each a “**Guarantee Instrument**”):

- 2.1 via a capped direct guarantee providing partial credit risk coverage to Financial Intermediaries on a transaction-by-transaction basis for the creation of a portfolio of eligible Final Recipient Transactions (the “**Direct Guarantee**”); or
- 2.2 via a capped counter-guarantee providing partial credit risk coverage to Financial Intermediaries on a guarantee-by-guarantee basis for the creation of a portfolio of guarantees covering eligible Final Recipient Transactions (the “**Counter-Guarantee**”).

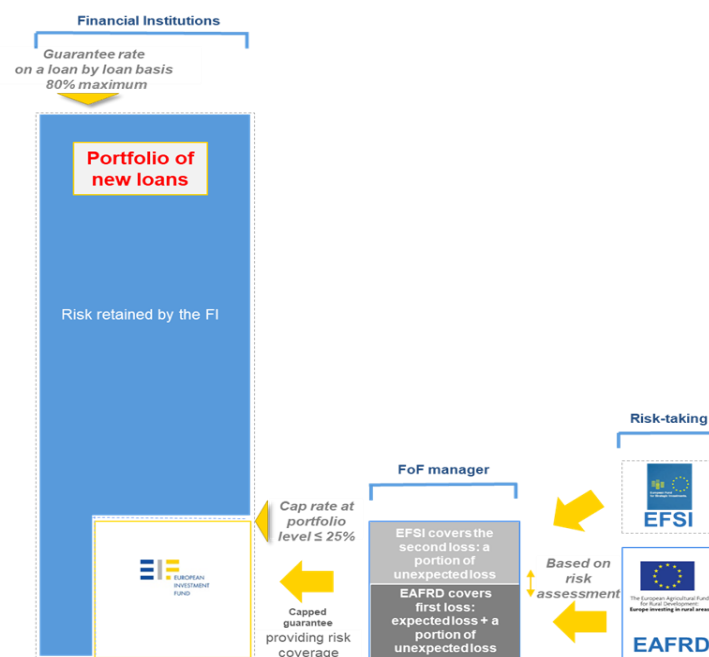

The FoF entails the issuance of Guarantee Instruments for the benefit of lenders to partially cover the portfolio credit risk of newly originated loans and finance leases granted to Final Recipients operating in the agricultural sector and included in the guaranteed Portfolios during a pre-defined Inclusion Period.

The relevant Maximum Portfolio Volumes are determined by EIF for each Financial Intermediary on a case by case basis. The Maximum Portfolio Volume available to a selected Financial Intermediary will be made available in tranches, subject to delivery of an increase notice by EIF based on achievement of pre-set levels of Actual Portfolio Volume, i.e., cumulative loan disbursements to Final Recipients within a given timeframe.

In accordance with the terms of the Guarantee Instrument, the Financial Intermediaries will benefit from an 80% risk cover (the “**Guarantee Rate**”) on each Final Recipient Transaction, up to a guarantee cap amount (“**Guarantee Cap Amount**”) that will be a function of a guarantee cap rate (“**Guarantee Cap Rate**”), which may be up to 35% (the Guarantee Cap Amount shall thus correspond to: Actual Portfolio Volume x Guarantee Rate x Guarantee Cap Rate). The Guarantee Cap Rate shall reflect (in EIF’s assessment) the risk profile of the expected Portfolio. It is to be noted that, in case the Guarantee Cap Rate exceeds 25%, it will not be possible also to deploy EFSI CP resources, meaning that the portfolio volume that can be made available would be smaller in that case. The Guarantee Instrument is free of charge.

In order to ensure the necessary alignment of interest, the Financial Intermediaries shall retain a material interest in the guaranteed Portfolios.

A schematic representation of the Guarantee Instrument is depicted below (the example depicts the case including EFSI CP resources, i.e. with a maximum Guarantee Cap Rate of 25%):

Compliance with applicable regulations (in particular the Common Provisions Regulation and the EAFRD Regulation and their implementing and delegated acts, as amended from time to time) shall be observed, as relevant, by the various parties according to their roles and responsibilities set out in the relevant agreements. Relevant references will be included in the Guarantee Agreements with Financial Intermediaries.

EIF may enter into Guarantee Agreements until 31 December 2021.

The Guarantee Agreements shall be in English and governed by the laws of Luxembourg.

3. Eligible Financial Intermediaries

The EIF shall select one or more Financial Intermediaries to implement the FoF in accordance with the procedure described in section 6 below. The selection of Financial Intermediaries shall take into account the resources available from time to time, and shall be based on a specific set of criteria.

This Call is addressed and restricted to public or private credit or financial institutions, investment funds or other financial intermediaries, in each case, duly authorised to carry out lending, leasing or guarantee activities, in the Hellenic Republic according to the applicable legislation, which shall be in all cases established and operating in the Hellenic Republic.

Financial Intermediaries shall comply with relevant standards and applicable legislation on the prevention of money laundering, the fight against terrorism and tax fraud to which they may be subject, shall not be in any Exclusion Situation.

Financial Intermediaries shall acknowledge the EIF Anti-Fraud Policy which sets out the policy of EIF for preventing and deterring corruption, fraud, collusion, coercion, obstruction, money laundering and terrorist financing (please refer to EIF website)¹ and shall take appropriate measures (as may be further specified in the Guarantee Agreements) to (i) facilitate implementation of such policy as well as to (ii) undertake to support investigations performed by the EIF or the European Investment Bank in connection with actual or suspected prohibited conduct.

4. The Expression of Interest procedure

Financial Intermediaries interested in applying under this Call have to submit an Expression of Interest to the EIF by the Deadline (as defined below, 9 weeks from publishing date) to be considered as a potential Financial Intermediary under the FoF.

In accordance with Annex I to this Call, the Expression of Interest has to include the Applicant's identification and has to provide the information requested in Appendix 3 to the Annex I to this Call, together with supporting documents.

The Expression of Interest shall be prepared in English.

Note on joint Expressions of Interest

Financial Intermediaries may group together as Participating Entities and submit a joint Expression of Interest. In this case, the joint Expression of Interest has to specify which of the Participating Entities will act as the Applicant. The Applicant shall apply in the name and on behalf of the Participating Entities and shall indicate to the EIF the basis for the joint Expression of Interest. Following the selection of such a joint Expression of Interest and an agreement on all terms and conditions, one set of contractual documentation may be signed with the selected Applicant also on behalf of the other Participating Entities; alternatively, separate contracts may be signed with the selected Applicant and each of the Participating Entities. The ultimate decision on the form of the agreement(s) shall be made by EIF.

All information required under Appendix 3 to the Annex I to this Call must be provided for the Applicant and each and every Participating Entity covered by the joint Expression of Interest.

5. Submission of Expressions of Interest

Expressions of Interest must be submitted by the Deadline by email. The Deadline refers to the date of reception of the email by EIF.

The Deadline is 9 weeks after publication, unless EIF announces that the Deadline will be set on a later date depending, inter alia, on the availability of budgetary resources for the FoF (including in the case of reallocation of resources between Financial Intermediaries) or any agreement reached between the EIF and the Investment Board and, if relevant, any amendment of the agreements governing the relationships of the risk takers of the FoF. Any change in the Deadline will be announced officially in the section of EIF’s website relating to the FoF.

Submission by e-mail

The electronic version of the Expression of Interest must be sent to: “eif_reg_mand_monit@eif.org”, stating in the subject of the email: “ESIF EAFRD Greece FoF – Expression of Interest: [name of the

Applicant]”. The requested annual reports may be provided via a link to the Applicant’s website or, if preferable, as an attachment to the email.

Receipt of Expressions of Interest by EIF

Following submission of an Expression of Interest, an acknowledgement of receipt will be sent to the relevant Applicants by EIF via e-mail, which shall state the following:

- unique application identifier (Expression of Interest number), to be used in all subsequent communications relating to the Expression of Interest;
- confirmation that the Expression of Interest was received/submitted (as applicable) by the Deadline.

The acknowledgement of receipt does not constitute a declaration of completeness of the Expression of Interest and the documents submitted therewith, nor any other kind of assessment or acceptance of the same.

The Applicants may withdraw their Expression of Interest at any stage of the Selection process, by sending (i) an email and/or (ii) a letter to the above-mentioned addresses.

6. Selection procedure

Financial Intermediaries shall be selected on the basis of EIF’s policies, rules, procedures and statutes and in conformity with best practices with an open, transparent, proportionate, non discriminatory and objective selection procedure, avoiding conflicts of interest, taking into account the criteria and principles underpinning the program and the experience and financial capacity of the Applicants, with a view to maximising the efficient use of the resources made available to the FoF.

Following the receipt of the Expression of Interest(s), EIF shall assess the application(s) pursuant to the selection process outlined herewith. This process comprises:

1. Pre-selection
2. Due diligence
3. Selection

Following the pre-selection based on the Expression of Interest, EIF shall perform a due diligence of the pre-selected Applicant, as a result of which EIF will decide whether or not to propose to its governing bodies a request for the approval of a Guarantee Instrument transaction with the pre-selected Applicant. The contractual negotiation process may not be considered concluded prior to the approval of the EIF’s governing bodies, and is in any case not concluded until EIF and the Applicants have agreed on all relevant terms and conditions. Each of these three steps is described in more detail below in section 6.1.

In any phase of the selection process before entering into a legally binding agreement with an Applicant, EIF reserves full discretion to consider Applicants (and Participating Entities, in case of joint Expressions of Interest) in accordance with the criteria for the selection, and no Applicant or Participating Entity has any claim or other right or may expect to be ultimately selected as Financial Intermediary. Any negotiation of the terms and conditions of Guarantee Agreements by no means entails any obligation for EIF to enter into such Guarantee Agreements with the relevant Financial Intermediaries. EIF shall also have sole discretion to decide on the allocation of available amounts to Financial Intermediaries, including to propose a reduction of the volumes requested by the Financial Intermediary.

EIF will send a rejection notice to Applicants whose Expression of Interest was rejected during any stage of the selection process. EIF may, but shall not be obliged to provide reasons for such rejection.

Those Applicants, whose Expression of Interest is rejected, shall have the right to submit a written complaint about the selection process by e-mail, registered mail or professional courier service, to

the same address used for the submission of the Expressions of Interest above, within the timeline provisioned within the relevant EIB Group complaints policy. Any complaints will be dealt within the framework and in accordance with the EIB Group complaints policy (for further information visit <https://www.eib.org/en/infocentre/publications/all/complaints-mechanism-procedures.htm>)

6.1. Pre-selection

Expressions of Interest received by the Deadline will be assessed by the EIF for pre-selection on a “first come, first assessed” basis. Expressions of Interest received by the Deadline shall be processed by the EIF in accordance with the provisions of this section 6.1 and sections 6.2 and 6.3 below.

When assessing the Expression of Interest, EIF will use its professional analysis and judgment.

The pre-selection comprises (please see Annex II):

1. **Pre-selection stage 1 – Formal Assessment:** formal assessment of the Expression of Interest (as set out in section 6.1.1 below);
2. **Pre-selection stage 2 – Quality Assessment** (as set out in sections 6.1.2 and 6.1.3 below).

Only Expressions of Interest that pass pre-selection stage 1 will go through to pre-selection stage 2.

During stage 2 of the pre-selection, EIF will evaluate the overall quality of the Expression of Interest. All criteria listed under section 6.1.2 and 6.1.3 are assessed at the discretion of EIF, giving a pre-defined weight to each one of these criteria, as specified in Annex II hereto.

EIF will assess the quality criteria listed under section 6.1.2. Based on this assessment, EIF shall assign the “quality score” to the Expression of Interest, being A, B or C.

EIF will also assess the risk profile of the expected Portfolio indicated in the Expression of Interest, according to the section 6.1.3. Based on this assessment EIF shall assign the “risk profile score” to the Expression of Interest, being 1, 2 or 3.

Only Expressions of Interest with combined “quality” and “risk profile” scores A1, A2 or B1 are pre-selected and carried forward to the Due Diligence stage.

Expressions of Interest with combined scores A3, B2, B3 are included in a reserve list, which remains valid until the end of the Commitment Period.

Expressions of Interest with combined scores C1, C2 or C3 are not pre-selected.

A summary of the pre-selection final scorings resulting from the combination of the scores (i.e. A, B or C and 1, 2 or 3) assigned by the EIF at the end of the pre-selection process is set out in the classification table 1 below:

Table (1)

A2	B2	C2	
A3	B3	C3	

All Applicants will be sent a notification about the result of the pre-selection process which can be either:

1. Pre-selection for the Due Diligence phase;
2. Placement of the Expression of Interest on the reserve list; or
3. Rejection of the Expression of Interest for not fulfilling the pre-selection criteria.

Pre-selected Applicants are advanced to the Due Diligence phase (see section 6.2). Applicants on the reserve list may be further considered for pre-selection.

EIF may suspend or abandon the pre-selection process at any time and no Applicant may claim any right to be pre-selected.

Reserve List

In addition to the placement of Applicants on a reserve list on the basis of the outcome of the assessment process described above, EIF reserves the right to also place Applicants on a reserve list in case that the aggregate demand expressed from already pre-selected Applicants is equal to or exceeds the funds available under the Call. The reserve list will remain valid until the end of the Commitment Period.

During this period of time and in case EIF does not proceed further with any of the pre-selected Applicant(s) or if additional funding is made available, Applicants on the reserve list may be considered for pre-selection depending upon the availability of the budgetary resources.

EIF may suspend or abandon the pre-selection process at any time and no Applicant may claim any right to be pre-selected or included on the reserve list as described above.

6.1.1 Formal assessment

EIF shall assess whether the Expression of Interest for the FoF has been prepared in accordance with the provisions of this Call according to the formal criteria:

1. The Applicant (and any Participating Entity in case of joint Expressions of Interest):
 - a. is established and operating in the Hellenic Republic;
 - b. is authorised to carry out lending, leasing or guarantee activities, in the Hellenic Republic under the applicable regulatory framework;
 - c. presents an adequate underwriting and servicing processes and a system of internal controls;
 - d. presents an adequate reporting/accounting system; and
2. The Expression of Interest has been prepared and submitted in accordance with the Call, all required representations, information and supporting documentation are provided (in the form requested, where specified) and has been duly signed.

If needed for the assessment of the above formal criteria, EIF may require from the Applicants to provide additional information or clarifications. The Expressions of Interest that do not conform to the formal criteria are rejected. In case of joint Expressions of Interest, if the Applicant or any Participating Entity covered by the Expression of Interest does not comply with the formal criteria, the entire Expression of Interest is rejected.

6.1.2 Quality Assessment

After successful assessment of the formal criteria, and after having obtained any additional information or clarifications from Applicants, if and as needed, the EIF will perform a quality assessment of the Expression of Interest (and any Participating Entities in case of joint Expressions of Interest) according to the evaluation criteria set out below:

1. Quality and plausibility of the Guarantee Instrument implementation proposal, with particular focus on: implementation and rollout strategy, marketing and publicity of

- the guarantee Instrument, strategy of the branch network (including incentives for sales force), previous experience working with international financial institutions, etc.;
2. Operational capacity of the Applicant (and any Participating Entities in case of joint Expressions of Interest) to assess and manage risk;

 4. Proposed improvements to the terms offered to Final Recipients (e.g. pricing reduction, reduction of the requested level of collateral, etc.) as compared to standard financing conditions for Final Recipients;
 5. Experience and ability of the Applicant (and any Participating Entities in case of joint Expressions of Interest) to generate the Portfolio within a predefined timeframe;
 6. Proven ability of the Applicant (and any Participating Entities in case of joint Expressions of Interest) to comply with the specific reporting requirements;
 7. Ability of the Applicant (and any Participating Entities in case of joint Expressions of Interest) to comply with all contractual obligations under the Guarantee Agreement.

6.1.3 Quality assessment of the risk profile of the envisaged Portfolio and the Applicant (and any Participating Entities in case of joint Expressions of Interest)

EIF will also consider, inter alia, the impact of the Expression of Interest in terms of:

- 1) The expected composition of the proposed Portfolio, including its credit risk profile and diversification; and
- 2) Financial standing of the Applicant (and any Participating Entities in case of joint Expressions of Interest).

6.2. Due diligence

Applicants whose Expressions of Interest are pre-selected will be followed up with the due diligence process which will be carried out promptly after the pre-selection of an Applicant.

The due diligence is carried out in accordance with the EIF's internal rules and procedures, where financial and operational matters relating to the Guarantee Instrument's implementation shall be analysed in more detail. The aim of the due diligence is to assess, inter alia, the ability to build up the envisaged Portfolio, the Transfer of Benefit, the composition and risk profile of the envisaged Portfolio, the quality of origination, marketing and publicity of the Guarantee Instrument, strategy of the distribution network (including incentives for the sales force), risk management, collection recovery/workout processes, systems and ability to comply with the control and reporting requirements. The due diligence may comprise an on-site visit, which shall be at the discretion of the EIF. The due diligence process does not comprise contractual negotiations, however EIF may negotiate the Applicant's commercial terms of the proposal as regards the Guarantee Instrument's implementation.

6.3. Selection

Based on the results of the pre-selection and the outcome of the due diligence process the EIF will either:

1. select the Expression of Interest;
2. place the Expression of Interest on the reserve list; or
3. reject the Expression of Interest.

EIF may proceed with requesting the approval of its governing bodies for a Guarantee Agreement to be entered into with the selected Applicant under the FoF. EIF has no obligation to enter into a Guarantee Agreement with a selected Applicant.

6.4 Allocations / re-allocations during implementation of the FoF

During the implementation of the Guarantee Agreement(s), and with a view to maximising the efficient use of the resources of the FoF and maximising the impact of the FoF, EIF shall have sole discretion to allocate any available amounts, including any additional budget being allocated to the FoF

7. Publishing of information on the Financial Intermediaries, Participating Entities and Final Recipients

EIF may publish, from time to time, on its website a list of Financial Intermediaries and Participating Entities, which may include the name and the registered addresses of the Financial Intermediaries and Participating Entities, types of the contract entered into and the respective Guarantee Instrument amounts. EIF, and/or the Managing Authority as the case may be, may also publish a list of Final Recipient Transactions benefiting from the Guarantee Instrument.

8. EIF Transparency Policy

Within the framework of the EIF's Transparency Policy² (the "**EIF Transparency Policy**"), EIF is committed to the guiding principle of promoting transparency with respect to its operational and institutional activities.

Pursuant to this guiding principle, and in accordance with the EIB Group approach and undertakings to promote transparency and good administrative practice, EIF has adopted the practice of publishing the minutes of the Board of Directors ("**Board minutes**") on its website, following their approval and signature.

The published Board minutes only indicate those operations presented for decision which have been approved and, as a general rule, contain a summary indicating the project name, the nature of the operation, the geographical focus and the relevant EIF-managed resources.

The EIF Transparency Policy also recognises the need for EIF to balance transparency with confidentiality undertakings and the protection of commercially sensitive or personal data, with a view to EIF satisfying its legal obligations to, and maintaining the confidence and trust of, its business partners, investors and third parties.

Consequently, should an Application receive the relevant EIF internal authorisation for submission to EIF's Board of Directors and be approved by the Board thereafter, and should an Applicant deem that the publication of such a summary would expose sensitive or confidential information, for which there would be a compelling reason not to disclose, the Applicant shall make a declaration to that effect in the submission of the Expression of Interest resulting in the information in question will be edited out of the published Board minutes and, subject to any applicable confidentiality undertakings, only being made public in connection with the signature of the operation in question.

If EIF has not received such declaration confirming that an Applicant does not agree to the publication of the aforementioned operational overview in the Board minutes, EIF will consider that it is acceptable to the Applicant and each Participating Entity, if applicable, and will proceed with publication on EIF's website as indicated above.
