### OPEN CALL FOR EXPRESSION OF INTEREST TO SELECT FINANCIAL INTERMEDIARIES UNDER THE PRSL (Reference number: Call for EoI – EAFRD-FOF-RO 2018/4)

*Published on 16/03/2018*

The objective of this Call for Expression of Interest (the "Call"), launched by the European Investment Fund ("EIF"), is to select eligible financial institutions to become Financial Intermediaries under the Romania EAFRD Fund of Funds (the "Romania EAFRD FoF" or the "FoF"), as further described below.

All applications under EAFRD-FOF-RO 2018/4 (each an "**Expression of Interest**") to be submitted to the EIF should conform to the Call.

In addition to this explanatory document, the Call contains the following documents:

- Annex I: Expression of Interest to be completed by applicants, including Appendices 1-3
- Annex II: Financial Intermediaries' Selection Criteria
- Annex III: Indicative term-sheet of the PRSL, including Appendices I – IV
- Annex VI: Terms of Confidentiality

#### 1. Background

According to the conclusions of the ex-ante assessment entitled "Ex-ante Assessment for Financial Instruments within NRDP 2014-2020" and its updates (the "Ex-ante Assessment") and approved by the Ministry of Agriculture and Rural Development ("MARD") on 9 September 2016, a market failure was identified in the provision of finance to farmers and rural entrepreneurs in Romania, which results in a gap between the supply and demand for financing agriculture and non-agricultural activities in rural areas - an amount estimated to be around EUR 2.4 billion.

As an instrument to address the market failure evidenced in the Ex-ante Assessment, the Government of Romania (the "Member State" or "MS"), represented by the Ministry of Agriculture and Rural Development has entrusted EIF under a Funding Agreement with the creation of a fund-of-funds (the "FoF") within the meaning of Article 2 (27) of the CPR (as defined below) with the object of addressing the above market failure by facilitating access to finance to Final Recipients in cooperation with selected Financial Intermediaries active in the MS market and improving funding conditions for local farmers and rural entrepreneurs through the implementation of the Financial Instrument. The FoF is financed by the European Agricultural Fund

for Rural Development (“EAFRD”) from the National Rural Development Programme (“NRDP”), in an amount of EUR 87,769,438 and is co-financed by the MS out of its national budget and resources in an amount of EUR 6,106,049.

Relevant rules for implementing the Financial Instrument are primarily stipulated in the CPR, the Delegated Act, the Implementing Regulation and the EAFRD Regulation (respectively as defined below) and applicable Romanian law and regulations.

This Call is addressed to credit or financial institutions, whether public or private, which are interested in receiving resources out of the FoF, as Financial Intermediaries for the implementation of the PRSL, which shall be carried out in accordance with the contractual agreements to be entered into by the EIF and the selected Financial Intermediaries (“Operational Agreement(s)”).

On a continuous basis until the Deadline (as described below), EIF will select eligible financial institutions to become Financial Intermediaries under the FoF.

The objectives and main indicative terms of the Operational Agreements to be entered into between EIF and the Financial Intermediaries pursuant to the FoF are further described in Annex III to this Call.

## **2. Eligible Financial Intermediaries**

The EIF shall select one or more Financial Intermediaries to implement the PRSL in accordance with the procedure described in section 6 below. The selection of Financial Intermediaries shall be made on a continuous basis, taking into account the above as well as the resources available from time to time, and shall be based on a specific set of criteria.

This Call is addressed and restricted to public or private credit or financial institutions, in each case, duly authorised to carry out lending activities according to the applicable legislation which shall be in all cases established and/or operating in Romania.

Eligible financial institutions shall comply with relevant standards and applicable legislation on the prevention of money laundering, the fight against terrorism and tax fraud to which they may be subject and shall not be established, and shall not maintain business relations with entities incorporated, in territories whose jurisdictions do not co-operate with the European Union in relation to the application of the internationally agreed tax standard, or their tax practice do not follow the Commission Recommendation of 6 December 2012 regarding measures intended to encourage third countries to apply minimum standards of good governance in tax matters (C(2012)8805). For the avoidance of doubt, this includes jurisdictions that have been placed on the EU list of non-cooperative jurisdictions for tax purposes, as adopted by the Council of the European Union.

Financial institutions shall acknowledge the EIF Anti-Fraud Policy which sets out the policy of EIF for preventing and deterring corruption, fraud, collusion, coercion, obstruction, money laundering and terrorist financing (please refer to [http://www.eif.org/news\\_centre/publications/anti\\_fraud\\_policy.htm?lang=-en](http://www.eif.org/news_centre/publications/anti_fraud_policy.htm?lang=-en)) and shall take appropriate measures (as may be further specified in the Operational Agreements) to (i) facilitate implementation of such policy as well as to (ii) undertake to support investigations performed by the EIF in connection with actual or suspected prohibited conduct.

## **3. Language and governing laws**

The Expression of Interest (in the form attached in Annex I to this Call) shall be prepared in English.

The terms of the Operational Agreements shall be in English. The Operational Agreements shall be governed by the laws of Luxembourg.

#### 4. Application procedure

Following selection of such joint Expression of Interest and an agreement on all terms and conditions, one operational agreement may be signed with the selected Applicant acting in its own name and in the name and on behalf of the other Participating Entities; alternatively, separate operational agreements may be signed with the selected Applicant and each of the Participating Entities. ## 6. Selection procedure

Financial Intermediaries shall be selected on the basis of EIF's policies, rules, procedures and statutes and in conformity with best practices with an open, transparent, proportionate, non-discriminatory and objective selection procedure, avoiding conflicts of interest, taking into account the criteria and principles underpinning the program and the experience and financial capacity of the Applicants, with a view to maximising the efficient use of the resources made available to the FoF.

Following the receipt of the Expression of Interest, EIF shall select the Applicants pursuant to the selection process outlined herewith. This process comprises:

1. Pre-selection
2. Due diligence
3. Selection

Following the pre-selection based on the Expression of Interest, EIF shall perform a due diligence process of the pre-selected Applicant, as a result of which EIF will decide whether or not to propose to its governing bodies a request for the approval of an Operational Agreement under the FoF with the pre-selected Applicant. The contractual negotiation process will not be concluded prior to the approval from the EIF's governing bodies, and will not, in any case, be concluded until EIF and the Applicants have agreed on all relevant terms and conditions. Each of these three steps is described in more detail below in section 6.1.

In any phase of the selection process before entering into a legally binding agreement with an Applicant, EIF reserves full discretion to consider or not Applicants (and Participating Entities, in case of joint Expressions of Interest), in accordance with the criteria for the selection, and no Applicant has any claim or other right or may expect to be ultimately selected as Financial Intermediary. Any negotiation of terms and conditions of Operational Agreements by no means entails any obligation for EIF to enter into such agreement with the relevant Applicant. EIF shall also have sole discretion to decide on the allocation of available amounts to Financial Intermediaries, including proposing a reduction of the volumes requested by the Financial Intermediary.

EIF will send a rejection notice to Applicants whose Expression of Interest was rejected during any stage of the selection process.

Those Applicants, whose Expression of Interest is rejected, shall have the right to submit a written complaint about selection process by e-mail and registered mail or professional courier service, to the same address used for the submission of the Expressions of Interest above, within thirty (30) days of receipt of the rejection notice. Any complaints will be dealt with within the framework and in accordance with the EIB Group complaints policy (for further information visit <http://www.eib.org/infocentre/publications/all/complaints-mechanism-policy.htm>).

### 6.1. Pre-selection

Expressions of Interest submitted/received (as applicable) by the Deadline will be assessed by the EIF for pre-selection on a "first come, first assessed" basis. Expressions of Interest submitted/received (as applicable) by the Deadline shall be processed by the EIF in accordance with the provisions of this section 6.1 and sections 6.2 and 6.3 below.

When assessing the Expression of Interest, EIF will use its professional analysis and judgment.

The pre-selection comprises:

1. **Pre-selection stage 1: Formal assessment** of the Expression of Interest (as set out in section 6.1.1 below);
2. **Pre-selection stage 2: Quality assessment** of the Expression of Interest (as set out in sections 6.1.2 and 6.1.3 below);

Only Expressions of Interest that pass pre-selection stage 1 will go through pre-selection stage 2.

During stage 2 of the pre-selection, EIF will evaluate the overall quality of the Expression of Interest. All criteria listed under section 6.1.2 and 6.1.3 are assessed at the discretion of EIF, giving a pre-defined weight to each one of these criteria, as specified in Annex II hereto.

EIF will assess the quality criteria listed under section 6.1.2. Based on this assessment, EIF shall assign the “quality score” to the Expression of Interest, being A, B or C.

EIF will also assess the risk profile of the expected Portfolio indicated in the Expression of Interest, according to the section 6.1.3. Based on this assessment EIF shall assign the “portfolio risk profile score” to the Expression of Interest, being 1, 2 or 3.

Only Expressions of Interest with combined “quality” and “portfolio” scores A1, A2 or B1 are pre-selected and carried forward to the Due Diligence stage.

Expressions of Interest with combined scores A3, B2, B3 are included in a reserve list, which remains valid until 31 December 2020.

Expressions of Interest with combined scores C1, C2 or C3 are not pre-selected.

A summary of the pre-selection final scorings resulting from the combination of the scores (i.e. A, B or C and 1, 2 or 3) assigned by the EIF at the end of the pre-selection process is set out in the classification table 1 below:

A1	B1	C1	
A2	B2	C2	
A3	B3	C3	

All Applicants will be sent a notification about the result of the pre-selection process which can be either:

1. Pre-selection for the Due Diligence phase;
2. Placement of the Expression of Interest on the reserve list; or
3. Rejection of the Expression of Interest for not fulfilling the pre-selection criteria.

Pre-selected Applicants are advanced to the Due Diligence phase (see section 6.2). Applicants on the reserve list may be further considered for pre-selection.

### **Reserve List**

In addition to the placement of Applicants on a reserve list on the basis of the outcome of the assessment process described above, EIF reserves the right to also place Applicants on a reserve list in case that the aggregate demand expressed from already pre-selected Applicants is equal to or exceeds the funds available under the Call. The reserve list will remain valid until 31 December 2020.

During this period of time and in case EIF does not proceed further with any of the pre-selected Applicant(s) or if additional funding is made available, Applicants on the reserve list may be considered for pre-selection depending upon the availability of the budgetary resources.

EIF may suspend or abandon the pre-selection process at any time and no Applicant may claim any right to be pre-selected or included on the reserve list as described above.

The Expressions of Interest that do not conform to the formal criteria are rejected. In case of joint Expressions of Interest, if the Applicant or any Participating Entity covered by the Expression of Interest does not comply with the formal criteria, the entire Expression of Interest is rejected.

The published Board minutes only indicate those operations presented for decision which have been approved and, as a general rule, contain a summary indicating the project name, the nature of the operation, the geographical focus and the relevant EIF-managed resources.

The EIF Transparency Policy also recognises the need for EIF to balance transparency with confidentiality undertakings and the protection of commercially sensitive or personal data, with a view to EIF satisfying its legal obligations to, and maintaining the confidence and trust of, its business partners, investors and third parties.

Consequently, should an Application receive the relevant EIF internal authorisation for submission to EIF's Board of Directors and be approved by the Board thereafter, and should an Applicant deem that the publication of such a summary would expose sensitive or confidential information, for which there would be a compelling reason not to disclose, the Applicant shall make a declaration to that effect in the submission of the Expression of Interest resulting in the information in question will being edited out of the published Board minutes and, subject to any applicable confidentiality undertakings, only being made public in connection with the signature of the operation in question.

If EIF has not received such declaration confirming that an Applicant does not agree to the publication of the aforementioned operational overview in the Board minutes, EIF will consider that it is acceptable to the Applicant and each Participating Entity, if applicable, and will proceed with publication on EIF's website as indicated above.
