Overview of the Guarantee

The guarantee (the “**Guarantee**”) shall be issued by EIF (the “**Guarantor**”) in the context of the Western Balkans Enterprise Development and Innovation Guarantee Facility - Youth Employment (the “**WB EDIF GF Youth**” or the “**Facility**”) for the benefit of a selected financial intermediary. It shall partly cover the credit risk associated with underlying, newly extended debt financing (including loans and finance leases) to Final Recipients included in the guaranteed portfolio.

In order to ensure an alignment of interest between the Financial Intermediary and the Facility, eligible Final Recipient Transactions shall be covered by EIF at a Youth Employment Guarantee rate of 80%, or a Standard Guarantee Rate of 50% depending on the features of the Guaranteed Portfolio.

The Guarantee shall constitute a direct financial guarantee and shall cover losses (relating to unpaid principal and interest) incurred by the Financial Intermediary in respect of each defaulted eligible Final Recipient Transaction.

The origination, due diligence, documentation and servicing of the Final Recipient Transactions shall be performed by the Financial Intermediary in accordance with its standard origination and servicing procedures. In this context, the Financial Intermediary shall retain the direct client credit relationship with each Final Recipient.

Eligible Final Recipient Transactions will be automatically covered, by way of submitting inclusion notices on a semi-annual basis until the end of the relevant Inclusion Period.
